

lease guarantee insurance (notice to decline)

Your details

Full name

Registration number

Employer

Work telephone

Email address

Confirmation

I confirm that lease guarantee insurance has been offered to me and that details of the policy have been explained to my satisfaction. However, after careful consideration I have elected not to utilise lease protection insurance on my novated lease on the abovementioned vehicle.

I understand that in declining this policy if I am made redundant or pass away prematurely, I or my estate will be responsible for the monthly rental on the lease contract.
